

PRIVATE & CORPORATE EVENT RENTALS

Located in the Presidio of San Francisco, The Walt Disney Family Museum is one of the Bay Area's most inspirational event and meeting venues, with the Golden Gate Bridge to the west, Crissy Field to the north, and the City to the east. At one time the U.S. Army's premier West Coast base, Congress decommissioned the Presidio in 1989 and transferred the buildings to the National Park Service.

Housed in a restored 1890s army barracks, the museum tells the story of Walt Disney—the man who raised animation to an artform, tirelessly pursued innovation, and created a distinctly American legacy.

The Walt Disney Family Museum is a perfect fit for any event you can imagine. The breathtaking backdrop of the Golden Gate Bridge, the natural beauty of the surroundings, and the bustling cityscape in the distance perfectly place this unique venue within the historic and vibrant charm of San Francisco.

Meetings and events can be customized to include any of the spaces in The Walt Disney Family Museum to make your event a truly memorable experience.
